Ref: COMPRESSED AIR LEAK AUDIT

Dear Sir,

This is to inform M/s **ASG ENERGY SOLUTIONS PVT LTD** successfully implemented the compressed air leak audit in our **BRAKES INDIA PRIVATE LTD, NANJANGUD Mysore District** plant as part of ENERGY SAVING PROGRAM.

We found their quality audit performance and technical expertise in finding the compressed air loss due to leaks, piping distribution losses and other necessary improvement factors helped us to brought down the compressed air usage and thus achieving energy saving.

We are very happy with our relationship with **ASG Energy Solutions** and highly recommend their services.

Best Regard's

S. LakshmiNarayana

Senior Manager - Plant Engg. & Services
